- II. General Examination Requirements.
 - A. Police Officers. The examination for Police Officers will consist of a written and an oral examination which will be graded on a scale of 100 points, with the written examination representing 60% of the final score and the oral examination representing 40% of the final score. In addition, each applicant will undergo a physical fitness or agility examination that is job-related and consistent with business necessity. The physical fitness test will be graded on a pass/fail basis for every applicant. The physical fitness test will be administered prior to any written or oral examination, and only those applicants passing the physical fitness test will be permitted to take the written and oral examinations. Applicants certified to Borough Council for appointment in accordance with these Rules and Regulations will be subject to a background investigation and may be subject to a polygraph test. Where an applicant has received a conditional offer of employment, final appointment shall be contingent upon the applicant submitting to a physical and psychological examination, and drug and alcohol test.
 - B. Positions above the Rank of Police Officer, Including Chief of Police where Competitive Process is Used. The examination for positions above the rank of police officer, including the Chief of Police where Competitive Process is used, shall include a written and an oral examination which will be graded on a scale of 100 points, with the written examination representing 50% of the final score and the oral examination representing 50% of the final score. The written portion of the examination shall include a test of police knowledge, supervision, and performance and shall place emphasis upon those qualifications which are important in the position in question. Physical fitness or agility examination may, but need not be, required for promotions. Where such physical fitness or agility examinations are required, the examinations will be graded on a pass/fail basis. Applicants certified to Borough Council for appointment in accordance with these Rules and Regulations may be subject to a background investigation. Where an applicant has received a conditional offer of employment, final appointment may

be contingent upon the applicant submitting to a physical and psychological examination, and drug and alcohol test.

III. Conduct and Administration of Examinations.

- A. **Written Examinations.** The Pennsylvania Chiefs of Police Association, or such other agency designated by the Commission, shall be charged with overseeing the administration of written examinations, including but not limited to providing notice of examination; preparing, collecting, and tracking applications and examination fees, if applicable; ordering and grading examinations; compiling and distributing the eligibility list; and such other duties as agreed upon by the Commission. Examinations shall be open to all applicants who have the minimum qualifications required by these Rules and Regulations for the position in question. The Commission may also administer such written examinations.
- B. **Other Examination.** The Commission shall administer or may appoint a qualified individual to administer such other examinations required by these Rules and Regulations. The oral examination shall be designed to permit evaluation of the appearance, manner, speech and general impression created by the applicant; it shall involve questioning applicants on how they would handle situations relevant to police work. The physical fitness or agility examination may require demonstration of such things as lifting, running, climbing, and shooting.
- C. **Improper Conduct.** Should an applicant for an entry-level position be found guilty of an act tending to defeat the fair and proper administration or result of any examination, his/her name shall be removed from the Eligible List and the applicant shall not be permitted to make future application for any position in the Police Department or the Borough. Should any current member of the Police Department be found to have committed an act tending to defeat the fair and proper administration or result of any examination, such officer shall not be considered for promotion and shall be referred to the Mayor for appropriate action.

IV. Passing Scores.

- A. **Written Examination.** The written examinations shall be graded on a scale of 100 points. The passing grade for the position of Police Officer shall be 70%; the passing grade for positions above the rank of police officer shall be 80%. Applicants scoring less than the passing

score shall be rejected. All applicants shall be given written notice of their test results.

- B. Oral Examination. The oral examinations shall be graded on a scale of 100 points. The passing grade for the position of Police Officer shall be 70%; the passing grade for positions above the rank of police officer shall be 80%. An applicant for the position of Police Officer who does not obtain a score of 70%, after combining the weighted scores on the written examination and oral examination, shall be rejected. Applicants for positions higher than the rank of police officer must obtain a total weighted score of 80%.
- C. Veteran Preference. Any applicant for the position of Police Officer who has completed the written examination and oral examination and has received a passing grade for both examinations shall receive 10 additional points on top of his/her total score if that applicant qualifies as a "veteran" pursuant to applicable law.

Section 426. Eligible List and Manner of Filling Appointments.

- I. Eligibility List and Furlough List.
 - A. Preparation of Eligible List. At the completion of the testing process set forth above, the Commission, or its designated agent, shall rank the candidates who have satisfied the minimum requirements for appointment on an Eligible List. The Eligible List shall contain the names and scores of individuals eligible for appointment listed from highest to lowest based on their scores on the examinations administered by the Commission and any points for which the applicant was entitled by virtue of his/her status as a veteran. The Eligible List containing the names and grades of those who have passed the examinations shall be filed in the office of the Borough Secretary and a copy shall be posted in the Borough Municipal Building.
 - B. Breaking Tie Scores. In the case of tied scores, the tie will be broken by giving preference to the applicant who scored the highest on the portion of the examination assigned the greatest weight. Should a tie persist, the tie will be broken by giving preference to the applicant whose completed application was submitted and recorded first.
 - C. Life of Eligible List. The Eligible will be valid for one year from the date the Commission formally adopts the Eligible. Prior to expiration of the one-year period, the Commission may extend the validity of

the Eligible List for up to an additional twelve months by a majority vote of the Commission at a duly authorized Commission meeting. In the absence of a lawful extension by the Commission, the Eligible List shall expire.

- D. Furlough List. Whenever Borough Council shall determine the need for a temporary reduction in the number of police officers, the Commission shall prepare and maintain a list of the names of all such furloughed officers, together with the position held by each such officer at the time of furlough. The names on the furlough list shall be arranged in priority order based on seniority at the time of furlough. Seniority shall be defined by the applicable collective bargaining agreement.
- E. Removal of Names from Furlough and Eligibility Lists. The name of any person appearing on a furlough list or Eligible List shall be removed by the Commission if such person:
 - 1. Is appointed to a position in the Police Department;
 - 2. Declines appointment to a position in the Police Department, unless such position is of a lower rank than that for which he/she is eligible;
 - 3. Fails to make a written reply in response to notice of certification or notice of conditional appointment by the Commission within the time period provided by the Commission; or
 - 4. Is appointed to fill a vacancy but fails to report for duty at the time prescribed, unless, in the opinion of the Commission, such person can show good and sufficient reason for failure to report.

II. Filling Appointments.

- A. Notice of Vacancy to Be Filled. When a Police Officer vacancy is to be filled in the Police Department, Borough Council shall submit a written request to the Commission for certification of eligible applicants.
- B. Filling an Existing Position. Borough Council may fill any vacancy in an existing Police Officer position in the Police Department which occurs as a result of retirement, resignation, disability or death by

the reappointment or reinstatement of a former Police Officer of the Police Department who had previously complied with the rules and regulations set forth herein. Except for physical and psychological examinations, no other testing shall be required for a furloughed employee, except that the furloughed employee will be subject to a background investigation. If no furlough list exists, or if the total number of vacancies cannot be filled from the available names on the furlough list, the position shall be filled in the same manner as original positions are filled.

- C. Filling an Original Position. Every original Police Officer position for employment, except that of Chief of Police, shall be filled in the following manner:
1. Upon receipt of a request from Borough Council, the Commission shall certify for each position to be filled, the names of three persons from the eligibility list, or a lesser number where three are not available, who have received the highest total score.
 2. Borough Council shall conduct a background investigation into each certified individual in accordance with the provisions below.
 3. Borough Council may object to one or more of the persons certified for the reasons set forth in section 424(VI). If the candidate to whom the Borough Council objects fails to timely exercise the right of appeal or should the objections be sustained by the Commission or should a conditional appointee be determined to be unqualified based upon the results of post-appointment examination, the Commission shall strike the name of the person from the eligibility list and certify from the eligibility list the next highest name for each name stricken.
 4. Borough Council shall make a conditional appointment from the three names certified, based solely on the merits and fitness of the candidates. The conditional appointee shall be notified of such appointment, the title of the position, and the starting salary. The appointment shall be conditional on undergoing a physical and psychological medical examination and drug and alcohol test.

5. The background investigation shall be conducted consistent with the provisions of the federal Fair Credit Reporting Act and may include investigation into the certified individual's criminal record, employment and educational history, credit history, driving record, general character, and such other relevant characteristics as permitted by law
- D. Promotions. Borough Council shall notify the Commission of a vacancy in Police Department to be filled by promotion and shall request a certification of an Eligible List for the position. The Commission shall certify the names of three persons who have received the highest average in the last preceding promotional examination held within a period of two years preceding the date of the request. If three names are not available, the Commission will certify the names remaining on the Eligible List. The Borough Council shall make an appointment from the names certified based solely on the merits and fitness of the candidate, unless Borough Council objects to the Commission regarding one or more of the persons so certified as set forth in section 424(VI). The Borough Council may determine in each instance whether an increase in salary constitutes a promotion.
 - E. Vacancy in the Office of Chief of Police. In the case of a vacancy in the office of Chief of Police, the vacancy may be filled through a non-competitive process, at the election of Borough Council. Where Borough Council so elects, Borough Council shall nominate a person to the Commission for the position of Chief of Police. Within 14 days of nomination, the Commission shall subject the nominee to a non-competitive examination that tests the nominee's knowledge of police management and administration. If the nominee receives a score of 80% on the examination and is certified by the Commission as qualified, he/she may then be appointed by Borough Council.

Section 427. Physical and Psychological Medical Examination.

- I. Examinations. Where an applicant certified from the Eligible List receives a conditional offer, employment shall be conditioned upon the conditional appointee undergoing a physical and psychological medical examination and a determination that the conditional appointee is capable of performing the essential functions of the position, with or without a reasonable accommodation. Medical examinations shall be conducted at Borough expense and under the direction of a qualified medical professional appointed by Borough Council. In no event will physical or psychological medical examinations be conducted prior to conditional appointment.

- II. Compliance with Applicable Law. All such medical examinations shall be conducted in accordance with the Borough's obligations under the Americans with Disabilities Act (ADA) and other applicable federal and state laws.
- III. Opinion of Medical Professional. The qualified medical professional shall render an opinion within five days of the examination and on a form satisfactory to the Commission as to whether the conditional appointee has a physical or mental condition that calls into question the conditional appointee's ability to perform all essential functions of the position for which conditional appointment was made, with or without reasonable accommodation.
- IV. Interactive Discussions. If the opinion of the qualified medical professional calls into question the conditional appointee's ability to perform all essential functions of the position, a person designated by Borough Council shall meet with the conditional appointee for the purpose of having one or more interactive discussions on whether a reasonable accommodation would enable the conditional appointee to perform the essential functions of the position. Additional communications with the qualified medical professional may be required to determine the availability or suitability of a reasonable accommodation to enable the conditional appointee to perform the essential functions of the position. If, at the conclusion of the interactive discussion, Borough Council determines in its discretion that the conditional appointee is not qualified, Borough Council shall give written notice to the conditional appointee and the Commission, and the conditional appointee shall not be considered further for the position.
- V. Medical Examination during Employment. During employment, Borough Council or the Commission shall have the authority to require members of the Police Department to submit to physical and/or psychological medical examinations in accordance with the provisions of the ADA and other applicable federal and state laws.

Section 428. Probationary Period.

All initial appointments to any position in the police force shall be for a probationary period of one year. During the probationary period, a Probationer may be dismissed only for a cause specified in section 424(VI) or because of incapacity for duty due to the use of alcohol or drugs. Throughout the probationary period, the Chief of Police shall review the performance and general acceptability of each Probationer to determine whether such Probationer is qualified for permanent appointment. The Chief of Police shall make a report on the performance, conduct, and fitness of each

Probationer at the end of the fourth and eighth months of the probationary period. Not less than 15 calendar days before the next regular meeting of Borough Council immediately preceding the end of the probationary period, the Chief of Police shall submit a final report to the Mayor for presentation to Borough Council. Such final report shall include the recommendation of the Chief of Police either to dismiss the Probationer or make a permanent appointment. In the event the probationary appointee is the Chief of Police, the Mayor shall evaluate the performance and conduct of the Chief. If at the close of the probationary period, the performance, conduct or fitness of the Probationer has not been satisfactory to Borough Council, the Probationer shall be notified in writing that he/she will not receive a permanent appointment, and the appointment shall cease. If the Probationer is not notified or dismissed in accordance with this section, the Probationer's retention shall be equivalent to a permanent appointment. The decision of Borough Council to suspend or discharge a Probationer shall be final and shall not be subject to appeal.

Section 429. Provisional Appointments.

Whenever there are urgent reasons for permanently filling a vacancy governed by these Rules and Regulations and there are no names on the Eligible List for the appointment, Borough Council may nominate a person to the Commission for noncompetitive examination, and if the nominee shall be certified by the Commission as qualified after noncompetitive examination, the nominee may be appointed provisionally to fill the vacancy. Within three weeks of the provisional appointment, the Commission shall hold a competitive examination and certify an eligibility list and a regular appointment shall then be made from the name or names submitted by the Commission, provided that nothing in this section shall prevent the appointment, without examination, of persons, temporarily as police officers in cases of riot or other emergency. Nothing in this provision shall require the Borough to make a provisional appointment or limit the Borough's ability to make a temporary appointment to a position within the Police Department consistent with its practice and the terms of the applicable collective bargaining agreement.

Section 430. Suspensions, Removals, and Reductions in Rank.

- I. Grounds for Disciplinary Action. No person appointed to any Police Officer position in the Police Department pursuant to these Rules and Regulations may be suspended without pay, removed, or reduced in rank by Borough Council except for the reasons set forth below:
 - A. Physical or mental disability affecting the officer's ability to continue in service, in which case the officer shall receive an honorable discharge from service;
 - B. Neglect or violation of any official duty;

- C. Violation of any law of which provides that such violation constitutes a misdemeanor or felony;
- D. Inefficiency, neglect, intemperance, disobedience of orders or conduct unbecoming an officer;
- E. Intoxication while on duty;
- F. Engaging or participating in the conduct of a political or election campaign while on duty or in uniform or while using Borough property otherwise than to exercise the person's own right of suffrage; or
- G. Engaging or participating in the conduct of a political or election campaign for an incompatible office as provided in the Borough Code.

II. Procedures.

- A. Notice. Whenever a member of the police force is suspended without pay, removed, or reduced in rank, a written statement stating the specific charges warranting such actions shall be furnished to the officer and the Commission within five days. The charges shall be stated clearly and in sufficient detail to enable the officer to understand the charges and the factual basis supporting the charges and to allow the officer to respond to the same.
- B. Demand of Hearing. The officer so charged may submit a request for a hearing pursuant to section 431 to the Secretary of the Commission. The request must be received by the Commission within 10 days of the person's receipt of the notice of charges.

III. Mayor's Power to Suspend. Nothing herein shall limit the authority of the Mayor to suspend any police officer for cause and without pay until the succeeding regular meeting of Borough Council, at which time Borough Council may, subject to these Rules and Regulations, suspend, remove, or reduce in rank or reinstate with pay, the police officer.

IV. Furloughs. Nothing herein shall limit the ability of the Borough Council to reduce the number of paid employees for reasons of economy or other reasons for which it shall be deemed necessary.

Section 431. Hearings on Suspensions, Removals, and Reductions.

- I. Time of Answer and Hearing. A person suspended, removed or reduced in rank may make written answers to any charges filed against the person not later than the day scheduled for the hearing. The Commission shall grant the person a hearing that shall be held within a period of ten days from the filing of written charges, unless continued by the commission for cause at the request of the council or the accused. The failure of the Commission to hold a hearing within ten days from the filing of the written charges shall not result in the dismissal of the charges filed.
- II. Conduct of Hearing. At any hearing, the person against whom the charges are made may be present in person and by counsel. The Borough Council may suspend the person, without pay, pending the determination of the charges against the person, but, in the event the Commission fails to uphold the charges, the person sought to be suspended, removed or reduced in rank shall be reinstated with full pay for the period during which the person was suspended, removed or reduced in rank, and no charges shall be officially recorded against the person's record. A stenographic record of all testimony taken at the hearings shall be filed with and preserved by the Commission, which record shall be sealed and not be available for public inspection in the event the charges are dismissed.
- III. Conduct of Hearing. At any such hearing, the officer against whom the charges have been made may be present and represented by counsel, may call witnesses, and present testimony and documentation in defense. The Borough may also be represented by counsel, call witnesses and present evidence as is necessary to support the charges. A stenographic record of all testimony shall be taken at every hearing and preserved by the Commission. In the event the charges are dismissed, the record shall be sealed and not be available for public inspection.
- IV. Nature of Hearing. Unless Borough Council or the officer sought to be suspended, removed, or reduced in rank requests that the proceedings before the Commission be open to the public, the proceedings shall be held in the nature of a closed executive session that shall not be open to the public. Any such request shall be presented to the Commission before the hearing commences. The deliberations of the Commission, including interim rulings on evidentiary or procedural issues, may be held in private and shall not be subject to a request for being open to the public, Borough Council, or the officer. The Commission's disposition of the disciplinary action shall constitute official action which shall occur at a public meeting.
- V. Subpoenas. The Commission shall have the power to issue subpoenas to require the attendance of witnesses and the production of records and

papers pertaining to the hearing in accordance with the provisions of the Borough Code. The officer and the Borough may issue written requests for a subpoena from the Commission, provided such request is filed with the Secretary of the Commission within five days from the date of hearing. Such requests for subpoena will be ruled on by the Commission in its discretion.

VI. Hearing Procedure.

- A. Standard of Review. In conducting the hearing, the Commission's standard of review shall be to determine whether sufficient evidence has been presented to support the statutory reason for the disciplinary action.
- B. Sworn Testimony. All testimony presented at the hearing shall be given under oath. The Chairperson shall administer all oaths.
- C. Procedure. Each hearing shall be conducted in the following manner:
 1. The Chairperson shall commence the hearing by stating the general purpose of the hearing;
 2. The Secretary shall read the written charges against the officer, together with the record of action taken against such officer, and any written reply of the accused, unless both parties waive a reading of the same;
 3. The Borough shall be given the opportunity to produce any witnesses, testimony, or documents in support of the charges;
 4. The officer shall be given the opportunity to cross-examine any witnesses produced by the Borough;
 5. The officer shall be given the opportunity to produce any witnesses, testimony, or documents in defense;
 6. The Borough shall be given the opportunity to cross-examine any witnesses produced by the officer;
 7. The parties shall be given an opportunity to make a closing summation.
 8. The hearing shall be concluded by the Chairperson.

- D. Evidence. The Commission shall be the judge of admissible evidence and procedure and shall not be bound by technical rules of evidence. The Commission, at any time during the hearing, may question or examine the parties or any witnesses presented.
- VII. Decision of the Commission. Within 30 days of the later of the conclusion of the hearing or receipt of the hearing transcript, the Commission shall issue its decision in the form of a written order approved by at least two members of the Commission. The written order shall include all findings of fact. A copy of the written order shall be provided to the parties. No order of suspension made by the Commission may be for a longer period than one year.
- VIII. Right of Appeal. All parties shall have an immediate right of appeal to the Court of Common Pleas of Union County, and the case shall there be determined as the court deems proper. The appeal shall be taken within 30 days from the date of entry by the commission of its final order and shall be by petition. Upon the appeal being taken and docketed, the Court of Common Pleas shall schedule a day for a hearing and shall proceed to hear the appeal on the original record and additional proof or testimony as the parties concerned may desire to offer in evidence. The decision of the court affirming or revising the decision of the Commission shall be final, and the employee shall be suspended, discharged, reduced in rank or reinstated in accordance with the order of court.

Section 2. Severability. If any sentence, clause, section or part of this Ordinance is for any reason found to be unconstitutional, illegal or invalid, such unconstitutionality, illegality or invalidity shall not affect or impair any of the remaining provisions, sentences, clauses, sections or parts of this Ordinance. It is hereby declared as the intent of the Borough that this Ordinance would have been adopted had such unconstitutional, illegal or invalid sentence, clause, section or part not been included.

Section 3. Repealer. All ordinances or resolutions, or parts of ordinances or resolutions, which are inconsistent with this Ordinance are hereby repealed to the extent of their inconsistency with the terms of this Ordinance.

Section 4. Effective Date. The requirements of this Ordinance shall take effect immediately.
